

Julie Micheletti

June 13, 2023

Julie Micheletti was born and raised in Arlington, VA. She spoke fondly of going up and down the almost empty streets that are now filled with traffic and high-rises. She spent most of her adult years in Woodbridge and Dumfries.

Julie was known by all, and loved by many. She did roofing, construction work, owned her own cleaning company, property management, and worked in a bank; but she gained her true fame when she found her passion: a love of animals. As a long time employee in veterinary hospitals, she became a comfort to many when they brought their fur babies in. She connected with people, but loved their animals!

Because she met so many people from so many walks of life, you couldn't go anywhere within a 200 mile radius without running into somebody that knew Julie. From the local watering hole, to the beaches of North Carolina, she was always recognized by someone. She was memorable and garnered respect from the people she met. You always knew where you stood. She would do anything for you. When she loved you, she loved you with all of her heart, and always will.

Julie's friends and family can be comforted in the fact that she loved God. God loves her. Besides, if all dogs go to Heaven, Julie has to be there with Him. She will always be a lover and guardian to all creatures great and small.

Predeceased by her Grandparents, Elsie Arnold Coburn and Lawrence Coburn; Mother, Elsie Coburn Fritts, and Father, Walter Frank Fritts; Sister, Sharon Rene Fritts; and her Finance, James Collington.

Survived by her Sisters; Vicki and spouse Ash, Brenda and spouse Joby; Brother "Fritz" and partner Rebecca; Nieces, Patty, Danni and partner Lyen; Nephew, Curran; Great Nephew, Trent: Great Nieces, Emily and fiancé Nick, Quinn; and Great-great nephew, Jackson.

She will live in all our hearts..... until we meet again.
