“ *I remember playing basketball and softball in K-Town Germany. For holidays Mrs. Brooks would have the teams over for dinner. I remember seeing how Mr brooks was so happy to have her by his side, she made being in Germany away from your home like home, she had a beautiful smile and she was always happy person. My heart is saddened by her passing. To the brooks family you have my sincere condolences. Mrs Brooks thank you for everything R.I.P*

“ What I remember well about Mother Brooks most was her unconditional genuine love for people and her generosity. When I say unconditional, I mean just that! Many years ago, before I was a mature responsible adult I got into some trouble. Being it happened a long way away from where I had any relatives or real friends. My father contacted me and mentioned he had some friends named Brooks in the that area. He suggested to me that they could help me. Now when I first met the Brooks family I was “a work in progress”.

At first, I though the reason Sargent and Mother Brooks family excepted me was because Sargent Brooks knew my father in the Military. Soon I realized that was not the case. This family was sincere and caring, Mother Brooks was such a wise woman with a heart of gold and, could discern a person intent and motives. It was almost like she looked right past all my faults and seen my needs. She seen my destiny and not my dilemma. The Brooks family took me in, I mean literally took me in when I needed help the most. Mother Brooks and the rest of the family excepted me, cared for me, and loved me just as a real family would. This is how our bound was permanently formed.

Mother Julliette Brooks and the entire Brooks family, I will never forget what you have done for me! I will always love and cherish the experience of seeing in action unconditional love from Mother Brooks and her family.

Mother Julliette Acey Brooks will always be Mother Brooks to me. She was someone that believe that I could get up after I fell down. Mother Julliette Brooks I am up today because you believed in me.

Thank you, for caring enough to believe I would rise up and live my best life one day.

I will always love Mother Brooks, Sargent Brooks and all the Brooks family.

My deepest condolences on the passing of Mother Julliette Acey Brooks.

I was planning a trip to Virginia to see her there. Only God had relocated her to her new residence. One day I hope to see her in that city with streets of pure gold, and I will walk up to her mansion on Mother Julliette Brooks Acey Boulevard in the Kingdom of Glory township. There we will sit down and, she will tell me her story how she made it over.

Mother Julliette Acey Brooks, Love and miss you greatly!

“ *Mama Brooks and her entire family was what you would call a “One in a Million”. From the moment I met her, she took myself and my children as family. She had the ability to see thru the darkest of days and see a reason to smile. Her love for family and friends can not be measured, her love was vast like an open ocean. I believe that Heaven and Earth has Angels and Mama Brooks walked among them. You are deeply loved and will be missed by all that knew you.*

“ *Dear Family,  
I didn't know Julliette very well, our paths crossed only briefly in the last few years. However, I recognized in her the immense love she had for her family. The kind of love only a mother and grandmother can possess; that despite her own infirmity, she had the strength in her heart to love beyond measure. I hope you were all recipients and aware of her love. I pray that, despite the outward fading of her abilities and the drastic change from the vibrant woman she once was, you still felt the love she had for you.  
Pass that love on!  
In deepest sympathy at your loss,

“ I was young soldier in Pirmasens, Germany when I met you (Ma Brooks). You welcomed me into your family home and treated me like a daughter. You was that mother far away from home. (Pop Brooks) was our Coach at that time but you were the Mother of all of us. I will always remember the Sunday dinners or overnight stays. I thank your family and God for sharing you. What a beautiful spirit and soul. May you rest in heavily peace. Love, Alesia Turner
