

Katherine Lynn Crump

August 28, 1984 - May 1, 2026

Katherine Lynn “Katie” Crump
August 28, 1984 – May 1, 2026

Katherine Lynn “Katie” Crump, born on August 28, 1984, in Hinesville, GA, passed away after a courageous battle with Guillian-Barre Syndrome. Though her time was far too short, she will be remembered for her deep devotion to her children, life partner, family and the warmth she brought into the lives of all who knew her.

Katie was a proud and loving mother to her eight beautiful children: Shane, Tylor, Riley, Addison, Peyton, Michael, Lily Jayne, and Jaxon. Her children were the center of her world and her greatest accomplishment. She poured her heart into raising them, always putting their needs before her own, and found her greatest joy in watching them grow.

From a young age, Katie had a deep passion for dance, especially modern, jazz, and tap, where she truly flourished. Dance was more than a hobby; it was the place where her vibrant spirit, creativity, and joy shined brightest, leaving a lasting impression on everyone who watched her perform.

Katie graduated from Hayfield High School in 2002 and later made her home in the Woodbridge area, where she began building the family that meant

everything to her. Throughout her life, she worked in various restaurants across Northern Virginia, where her strong work ethic, kind spirit, and friendly nature made lasting impressions on coworkers and customers alike.

She is survived by her life partner, Dallas McGuin; her mother, Jayne Hardiman; her father, Leonard A. Crump, Jr. (Laura); her brother, Leonard A. Crump III (Corrine); her step-siblings, Mikayla, Tyler, and Julia; her grandfather, Leonard A. Crump, Sr.; her nieces, Ahlexis and Tatum; as well as numerous aunts, uncles, and cousins who loved her dearly.

Katie had a caring heart, a quiet strength that carried her through life's challenges, and a deep love for those closest to her. She adored her children above all else as they were her life and her proudest joy.

Katie's love for her family, especially her children, will be her legacy. She will be deeply missed and forever remembered by all who had the privilege of knowing her.

A private celebration of life will be planned at a later date.

In lieu of flowers please consider donating to a fund set up to directly help the eight children:

JF

“ We were stunned hearing this news about Katie this morning. We had no idea she was sick. And we are so very sorry for your loss.

We remember Katie as a happy, cheerful, and smart little girl that was lovable and always greeting us with a smile. She was always kind and engaging anytime we saw her. I still remember her spending an entire afternoon with me when I was repairing the townhouse front door. She never left my side, wanting to know what I was doing every minute, and just entertaining me with her chatter. It is such a fond memory, one that I will always remember her for.

It breaks our heart to have lost this precious young woman. She was truly a joy for all who knew her.
