

Kathryn Jane Barnes Jones

November 24, 2020

After a lifetime filled with love, family, and friends, and a hard-fought battle with cancer, Kathryn (Kathi) Jane Barnes Jones went to be with the Lord on Tuesday, November 24, 2020.

Kathi is survived by her husband and soulmate, George Davis Jones, her daughter Jessica Jones Magyar (Ryan), her son Daniel Jones (Taylor), and four grandchildren that were the joy of her life: Landon, Aubree, Aleana and Mia. She also leaves her mother, Jane Barnes and two sisters, Sue Barnes (Wendy) and Cindy Dishner.

Kathi was predeceased by her father, P. Sheffield Barnes. Kathi is also survived by two beloved step-children, Beth Robles and her family and Chris Jones, many nieces and nephews, great-nieces and great-nephews, brothers-in-law, sisters-in-law and cousins. Family was everything to her.

Kathi was a graduate of Mount Vernon High School where she enjoyed gymnastics, and she attended James Madison University. She spent 30 years

as a

real estate agent with Long and Foster where she developed lifelong friendships.

Kathi met her husband George at the wedding of her college roommate, Susan

Jones (George is her brother). They had an instant connection, a wedding at Big

Meadows, Skyline Drive the following year and would have been married 35 years

this May. Together they have made many memories and enjoyed many activities

together (hiking, camping, biking) and have traveled many places together to include Nova Scotia (honeymoon), Las Vegas, U.S. Virgin Islands, the Amazon River

and Peru. They have also enjoyed many family vacations in the Outer Banks.

Kathi was dearly loved by her family and will be so greatly missed by all who knew

her.

The celebration of her life will be held at Miller Funeral Home and the service can be viewed virtually at 11:30AM <https://www.facebook.com/miller.f.home/> .

“ *As her step-daughter, Kathi always made me and my family feel so loved and welcomed. She was there for not only for some of the most special events in my life, but loved on me and my family during the smaller ones, like when we'd pop in to overnight from SC for a soccer game and get to enjoy an amazing homemade meal. Once she let it slip that she'd spent all day on one of those meals! I will miss her and miss that love and life and purpose she brought to George. I will remain inspired by her love and devotion to her children and grandchildren, as well as her sense of humor. And I will NEVER play a Boggle game without thinking of her. 😊 The night we learned she left this world, we stopped what we were doing and played one in her honor. When my family would play this game with George, he would blow us out of the water winning, yet he would never fail to mention that Kathi was leagues above him and unbeatable! She was the light of his life. We will ALL miss her.*

“ *She loved her children, her family, and her best friend, my dear brother George. She was fun, funny, sweet, and kind and always there for you. George and Kathi were a match made in heaven. She will always hold a special place forever in my heart. Tomorrow is going to be a hard day.*

“ *I was with George the night he met Kathi 36 years ago and for the next few weeks on a cross country trip and I can testify it really was love at first sight.*

I am glad Kathi is out of pain but I ache for George and the entire family that loved Kathi. So sad, so unfair.

God bless Kathi, she was a warrior, I'm not sure most would fight as well as she did.

My heart aches on this day that I cannot be by George's side to say to Kathi your journey on this earth is over and you are entering the Light, pain free, and able to hold George's feet to the fire!! Oh, how he will miss you. No greater love than what you two shared.

“ I have many fond memories of the time I spent with Kathi and the laughter and love we shared. While Jimmy sings some of her favorite songs, I cling to pictures of her standing at the stove (whether at home, in Orange, or at a beach house) making grilled cheese sandwiches for any and every child that wanted one (or two). Those grilled cheese sandwiches were just one of the many ways she shared her deep love and endless patience with her family and ours.

“ My favorite memories are of Kathi at the beach. Her attire was a one piece bathingsuit with shorts and barefoot. The humidity drove her nuts as it messed with her hair..made it tight and curly..drove her nuts. Kathi was also the maker of the best crab cakes. Even my mom, who was always in search of a good crab cake, knew Kathi made the best. So many beach trips throughout the years; tossing softballs, playing poker/Hearts/Boggle, sitting at the water's edge, sipping Chardonnay, watching her kids play on the beach and later, her grandkids. The infamous, nonstop food spread at the beach house. Kathi's eyes sparkled, she loved her mysteries and her giggles defined her. A life well lived and greatly loved. Thank you Kathi for loving my brother. Peace to you my sister in law. Sandi, George's sister

“ Kath was my sister and my friend. We were inseparable as kids, we were partners in trouble-making as teens, got married within 30 days of each other, raised our kids together. 60 years of memories. She was smart, hilarious, hard working, and completely loyal and devoted to those she loved. Life here will have a giant void without her. This is just "see you later", and not goodbye. I will miss you 💕,
Cin
