Kenny (KB)

Kenneth Scott Bedford

01/29/1958 – 07/15/2022

Kenny Bedford was born on January 29th, 1958, in Kingsport TN and always found a way to bring out the best in everyone. Those who had the pleasure of being in his presence were always in for a good hearty laugh. Kenny passed away on July 15th, 2022 at the age of 64 after a long and courageous battle. Kenny was a free spirit who lived his life to the fullest. Most importantly, he was a loyal and loving husband, father, grandfather, son (favorite son-in-law), brother, uncle, cousin, and friend that will be remembered forever and always in their hearts.

Kenny is survived by his beloved wife and best friend Cari (Smo) of 44 years, children Jesse (Leyla) and Jami (Johann). His grandchildren Jayden, Gabi and Sadie will all strive to honor his memory by living their lives as their Papaw would want. Can't forget about his precious service dog Belle Erina Bedford. He is preceded in death by his brother Steve, his parents Ed and Inez and many aunts, uncles, and cousins who lovingly welcomed him home with open arms and a cold Budweiser.

A devoted and dedicated PWC county employee who retired after 31 plus

years. Most knew him as the master of antics. Kenny always coordinated all of the best pranks at work, which have become legendary and unforgettable stories. "PLUMBING LOOKS GOOD!"

KB was an avid Harley rider where he and Cari made special memories that will be cherished forever. They attended bike weeks and rallies across the country for many years. In addition, he would cruise the streets in his truck known as the Dale City 500 circuit. Often seen riding around checking on his family and scoping out buildings and structures while contemplating code violations. Kenny especially loved annual family vacations and anniversary trips to Ocean City, MD. A very fond and favorite destination where countless memories were made. A tradition his family will continue to uphold in his honor.

A legacy is etched into the minds of others and the stories they share about you. Cheers to you Kenny, the most loving, kind, funny, authentic, and incredible man we have ever known. Thank you for allowing us to be a part of your story. You will be deeply missed by all but we will honor your legacy. "Keep on keeping on!"

“ Kenny. I just heard out here in Ohio and my heart has another chunk missing. You, like your beautiful bride, always seemed to really listen to you while you were talking. I tragically struck and killed a little dog that lived on our street when one day he got too good a lead on me. I felt horrible about it and had to go to the cute little girl and tell her I killed her dog. While sitting on the curb, not sure what to do next and feeling very alone, Kenny pulled up in his Camaro and stopped. He didn't do anything amazing or even hint at his super powers, he just stood there with me and that was enough. I never did get the chance to tell him or Cari how much that meant to me. That was Kenny.

“ Wow, I just happened to go to L & B's page and found out my old friend Kenny had passed just last week. So sad to find out this way. Kenny's brother Steve and I were best friends in high school. My younger brother and Kenny always hung out with us playing football games in the median, goofing off, riding bikes to driving cars and general teenage kid stuff. Rest in peace little brother!

“ Great friend and special colleague as we worked together for many years at PWC. Kenny never met a stranger. He always had a way of working through things with a smile on his face. Kenny was one of a kind, hard working and get er done personality. He will be missed, but his legacy continues at PWC. We are traveling out of state and unfortunately can't attend today's service. Our deepest condolences to Kenny's family. Jim Collins

“ My condolences to the Bedford family. Kenny and Cari have been my neighbors for over 20 years and Kenny was always warm, friendly, and willing to lend a helpful hand. He always greeted me with a smile and a cheerful "how you doing there, neighbor." He was such a nice guy and I will miss him greatly. Rest well, Kenny.

“ Kenny my later brother Don and I grew up together in Dale City. Kenny was a great friend and one of the first that I heard from when my brother past. He was always there if you needed him. He was a kind, caring husband, father and grandfather. I remember one time way back when he was telling me about his son Jesse playing his first season of football, he was as proud as a peacock. Kenny was a guy that if you ever met him you would never forget him! He was just that friendly. You will be missed Barefoot !

“ Kenny was always fun to be around at work and he seemed to face everything with a smile or a laugh. When I was there in the late '80's & early '90's, he had a tattoo on his upper arm that said, "CARI" which is, of course, his wife's name. He told me once that if anything ever happened between them, he would have the "I" changed to an "E" and then have "FREE" put underneath it. LOL! I'm glad that was never the case, but I know he's definitely CARE FREE now! Goodbye, Kenny. I'll see you later. Jeff Vernon

Kenny was a great friend. He would help anyone that needed it and make jokes about it while he's helping. He was honest as the day is long. One hell of a good man. I loved him.
