“ I have worked with Laura for several years and never met a nicer person. She was so sweet and caring and even shared her gift of baking with her team at Inova. My condolences go out to the family and I'm sorry I will miss the service today. I will truly miss her and my heart goes out to all that knew her as she was such a kind soul.

“ *A dear sister in Christ. A great friend. She sang for the Lord in my church and shared her gift of hosting friends and preparing meals that I'll always remember. She was a part of Calvary Road Baptist Church's single adult ministry, which is where I met Laura. I was grieved when I heard of her passing yesterday. Although Laura and I hadn't seen each other in many, many years, she will always be a cherished memory in my heart. Until Heaven, sister. Enjoy your forever home. I'll see you again. I haven't seen Laura in years, but I had the privilege of seeing her love and compassion played out with a family who had experienced a tragedy which left a teenage boy as head of the household. As soon as I shared the problem with her, she asked for their phone number and said she would take care of it. I was so impressed by her. what a joy that we will meet again someday.
