

Leonel "Fredy" Gallo

December 23, 2024

Leonel "Fredy" Gallo passed away December 23rd, 2024, at age 64. He was a caring, loving, and vibrant individual. He had a zest for life and enjoyed spending it with family and friends. He was a loving brother to three sisters and two brothers. He was born June 25th, 1960, in El Salvador and came to the United States where he met and fell in love with his future wife Ana. Together in Virginia they created a family and had one daughter together, Silvia. He was also stepfather to Nestor and Carolina and treated them like his own. He spent his life working hard in the restaurant industry, eventually becoming the owner of his own. He had a passion for food, sports and music. He never missed an opportunity to enjoy those he loved. He was never short on opinions and had no trouble sharing them. Some would say that was part of his charm. You could argue with him but then share a laugh together. Fredy loved people and those who met him loved him back. His legacy will live on through his children, family, and grandchildren. May he find peace and may his memory be a blessing to all.
