

Linda Ann Coons

August 22, 1949 - August 4, 2022

Linda Ann Coons, 72, of Woodbridge, VA, left us too soon after a brief illness on August 4, 2022.

Proudly born & raised in Pittsfield, MA on August 22, 1949, a true New Englander to the core.

In 1974 she married & began her travels as a Navy spouse making lifelong friends along the way.

In 1986 she settled in Woodbridge, VA and started her career with Cowles Automotive until she "retired" in 2015.

Linda was a very proud & loving mother & grandmother. However, she somehow had so much more love to share with all of her children of choice. Family, friends & colleagues all new Miss Linda had the answers & she would always make the time. Cooking you a meal or making you a craft was her way of telling you she loved you. Once she "retired" she was able to begin her travels, which she would love to tell you all about. There are no words to describe the loss we will feel.

Preceded by her Father Everett, her Mother Anne and Brother Denis.

Survived by her Daughter Kirsten (Matthew) Wright, her granddaughters, Brodie Wright, Aubri Wright & Caylie Gendreau. Her Brother Kevin Banister,

Sister Bridget Goddard & many adored nieces and nephews.

Family and friends are welcome to visit at Miller Family Home on August 28, 2022 from 2-5pm

In Lou of flowers please consider a donation to American Stroke Association stroke.org or Boston Red Sox jimmyfund.org

“ *Ms Linda, the "momma hen" of Cowles Ford, anytime we visited the dealership, her office was always the first place to go, our kids knew there would always be candy or cookies in there. She would take our daughters Girl Scout cookie order form and make sure everyone at the dealership bought some. Ms. Linda was a truly genuine person with such a big heart and truly loved and adored her family and the people around her. Rest in peace Ms Linda, we love you & you will never be forgotten. Sending love & prayers to her family.*

With love, James (Smokey), Kathryn, Mariah, Zachary, and Whitney Hamn

“ *Linda was the best niece anyone could have the right to expect. Always in touch with my Aunt Mary and Uncle Jim, and always with my mom. I can't tell you how much my mom looked forward to her calls and sharing everything with her. I'm so grateful that she was able to make it up last fall for my mom's 90th birthday. I'll be forever grateful to her for making my mom's day. She will be greatly missed.*

“ Linda became a special lady in our life 41 years ago. She became the most unselfish mother I know. She loves deep and strong. She is loyal, generous, witty, (all ways had a comeback) . Her love language was food - good food. She flowed in the gift of gab which went hand in hand with her many interesting stories. A good memory I have was from last fall when she came out to visit us in springville New York . I've never seen Linda drink much but that day she drink some beers and got silly. She told us about Volkswagen punch bugs and old boyfriends and living in the apartment above the bar. she was so much fun. It hasn't sunk in yet that she won't be at the next party. Good by dear, you have blessed us and I will always be grateful for you❤️

“ I have known Linda, or Coonsie as many of us called her. I met Linda in 1975, so I have known her for 47 yrs. Growing up she was known yo my brothers and I as Auntie Linda. Any family event we had, she had to make me her macaroni salad, I loved that stuff. I would try to make it but did not taste like hers. She will be missed, I still can't believe she is gone. Well Linda you are the first female to join all the men: my dad, Gerry, Kevin and Robbie. Rest In Peace ❤️🕊️
