

Linda Phillips

July 21, 2022

Linda Kaye Pearson Phillips, age 70, passed away in her home in Dumfries, VA early Thursday, July 21, 2022. She was born in Russellville, KY on March 27, 1952 to the late Robert William and Emogene Stephens Pearson. Linda is survived by her husband, John David Phillips, an older brother, Robert Stephens (Debbie) Pearson, of Mt. Dora, FL, her daughter Becca Marie of Loveland, CO, a niece and nephew, and several cousins.

Linda grew up in Adairville, KY, and graduated from Waggener High School in Louisville, KY in 1970. She earned her BS degree in elementary education in 1974, and went on to earn her MA degree in education in 1976, both from Austin Peay State University in Clarksville, TN. She taught elementary school for several years in Robertson County, TN. During the early to mid-90's, Linda worked hard as a realtor for Crye-Leike Realtors in Memphis.

Her final career move was to the U.S. government, working initially for the Department of Agriculture within the cotton industry. She served as a Certified Fraud Examiner through the Association of Certified Fraud Examiners, and was also a Certified Internal Controls Auditor. Linda proudly retired after 20 years of service, mostly within the Department of Justice for the Office of the Inspector General.

Throughout her life, Linda demonstrated an unwavering faith in her Christian

God, and remained an active member in the local churches. This was extended beyond the church by her show of kindness and charity to all people, and also participated in several mission trips around the world. She even served as a deacon for some time at Hope Presbyterian Church in Cordova, TN. Linda was a proud member of the Chi Omega Sorority during her years at Austin Peay. She was also very proud of her membership in the National Society of the Daughters of the American Revolution, taking great interest in her family history of involvement in such important events in the history of this great country.

Linda had a great passion and talent for music and singing, so was also active in the Sigma Alpha Iota music fraternity. She traveled nationally and abroad with the Contemporary Chorale during the late 80's and 90's, and was an active member of the Seasonaires during the last years of her life in her residential community in Four Seasons.

Linda will be fondly remembered and missed dearly by those that were fortunate enough to have known her. She touched and positively influenced so many lives, more than will ever be made known. God has called her home to be with Him, for reasons we will never know, but her job on this earth has been finished, and He needs her talents and abilities somewhere else now.

A service to honor her life will be held Friday, July 29th at Miller Funeral Home and Crematory in Woodbridge, VA from 2-4 PM.

“ *My sincere condolences to Linda's family and friends. The moment I met Linda I knew she was beautiful soul. We didn't see or talk to each other often but when we did, we'd laugh and share family or job situations. My heart is heavy for the family but I rejoice in knowing Linda is in heaven. Rest in peace my friend.*

“ I met Linda in Dallas in 2004 when I was sent to our Dallas DOJ OIG office to work on a project and she was assigned there. From that start, we became friends throughout the rest of our working life together. I was fortunate enough to work with her many times over the years and even more fortunate that I was able to call her a friend. I'm so sorry that she's gone. I always enjoyed talking and traveling with her for work. Although I hadn't spoken to her since she retired a few years ago, I'll always miss her. Godspeed and goodbye, Linda.

“ Linda, We shared so many memories on Wood Creek Lane, Allen, TX. Mark Roberts brought us together and we were blessed and shared so many good times together. You were always there for me, through thick and thin. No one could ask for a better friend. When my husband had his massive heart attack, you had meals prepared for me and his daughters every evening when we returned from the hospital. I could never repay your kindness, Linda. You were such a blessing!! My heart bleeds for Boomer and his loss. Only God knows why you were called home so prematurely. We will always love and miss you, as a friend, wife, mother. Please watch over Boomer as he so loved and adored you. Your lives together were gone in a flash.....so early.....yet you both were so meant for one another. You were so beautiful; inside and out. You have left a footprint on my heart. Until we meet again, my dear, sweet Linda.

“ *Linda and I have been friends since childhood. We shared so many wonderful memories from life on the farm to trips with girlfriends as we got older. We always seemed to find trouble wherever we went with Mr. Pearson reminding us of it!*
Trips with Linda were always full of laughter and love! Mrs. Pearson joined into the fun reminiscing into the wee hours.
A dear friend who will remain in my heart. Love Becky Byrum McIntosh
