“ Growing up on Omisol Road, I have known the Olson family for over 45 years. They were more like family to me than neighbors. I used to occasionally run into Linda at Hylton HS sporting evenings as our children were both students and athletes. It was nice to catch up with her. Linda and her family have been in my thoughts and prayers.

“ *Linda was truly a dedicated wife and mother. She always gave her all and we spent many hours together when she headed up the Girl Scout troop. The girls had wonderful experiences as the result of Linda going the extra mile for activities, events, etc. The girls and I have carried those sweet memories with us for many years. May her family find comfort in their memories.*
