“ Poppa P! I am so heartbroken that you are no longer here with us. You've endured a lot over these years and you've still pushed through no matter what. You were such a strong, kindhearted, funny, amazing individual & I am so lucky to have experienced your love. Our memories will forever live on. Thank you for everything, & I love you. Rest on. ❤️

“ I love you dad! I still cannot believe you are gone. You have taught us so much and touched so many lives. You have been through so much in the past and pushed through and fought so hard with all you have faced. This sudden news completely took us by surprise. I remember the morning Cam told me you had an heart attack all I was thinking of asking was “okay well what hospital is he at so I can call and talk to him”.

I am so glad we got to spend time together at Brads 50th. We love you and miss you. Tell mom I said hi and we love her. We all (Brad, Summer, Cam, Caleb, Becki, Ariana, and myself) will always remember the times we shared and the things you taught us just by being you.

Love you Dad ❤️ (A.K.A Poppa P)

Lynn you are already missed by so many. Seeing you at Brads birthday I would have never expected it to be my last visit with you and Beck together. I know you were so happy to be there with Both Brad and Jen, Summer did a great job and I am so happy you got the joy of being there.

it is such a shock and such a loss. I know you are in a better place but it leaves the ones you left behind grasping for every last thought and memory shared with you to hold on to. You were always willing to share your knowledge and helped many in doing so. Your family is and should be so proud of you, watch over them all as you always have. Thank you for making my sister so happy as I hope she made you the same. RIP Lynn ❤️🙏 Cindy
