“ *My deepest condolences to Maritza's family may God's grace cover you through this difficult time.*

Maritza and I worked together for the Office of Petroleum Reserves every morning she would walk down my corridor as she came into work with the biggest smile and jubilant greeting, hola chica! We often shared stories about our family traditions and our trips back home with excitement and lots of love. She will be greatly missed.

Our lunch break outside of your work building talking about your yearly family vacation and seeing the love and excitement on how much fun yall have,I wished I could of taken the invite few years ago but it was always a conflict with dates.*

Going to miss calling you to bring over my mother's panamanian home cooked food for you.

“ *My Friend. I will always remember the memories we shared from back home when I used to visit you at the Dormitory at Canal Zone College. Then when you lived in Howard. Those were good memories. Eventhough we never met at the reunions, we would talk after. I'm so sorry we lost touch in the last year with me moving and losing most of my contacts and ph# changing. I really tried to get in touch w/you. I will always remember you my friend. I love you. RIP.*

I knew Maritza because we grew up in Rainbow city CZ. I knew her entire family. She and her mother visited my mom quite often and I remembered feeling joy and excitement every time she would come by with her mother.

But I couldn't say anything to her cause her mother was very protective. We stayed in contact all her adult life. She was a great mother, wife, and sister because she talked about family all the time. She will be missed. My condolences goes out to the entire family. My name is Francisco she would call me Nitty

I met Maritza on the VRE through our mutual friend Ivette. I will miss seeing and talking with her. She always made me laugh. I would joke with her about the big cloth bag she always carried. We laughed together about that.

“ To Maritza's family, I pray that God gives you peace and strength during this time of sorrow. What can I say, but I loved Maritza's smile and laughter. Maritza often spoke of Panama and said I need to plan a trip. Our last conversation was back in February as she told me she was planning on going to Panama to visit her family. We all carry memories of Maritza in our hearts.
