

Mark E. Ellwood

June 27, 1958 - July 2, 2023

Mark Eran Ellwood of Woodbridge, Virginia was born on June 27, 1958 in Marion, Virginia. He died unexpectedly on Sunday, July 2, 2023. He was 65 years old.

Mark grew up in New Carrollton, Maryland and went to Largo Senior High School, graduating with the class of 1976. He then went on to receive a Bachelors degree in Marketing from Towson University, class of 1980. In 1981 Mark began working with a start-up company called Central Wholesalers. He helped the company grow, often and regularly achieving number one sales status. Mark was a hard and dedicated worker and he stayed with Central for 35+ years. He then went on to work with Direct Supplies Warehouse.

In addition to being a hard worker, Mark realized a dream when he bought and renovated a townhome in Panama City Beach, Florida. He loved to step from his deck to the sand as often as he could visit. Mark also enjoyed traveling to islands near and far, scuba diving wherever he could.

Enjoying his boat and water sports was Mark's favorite pastime. He was an avid slalom water skier through the years and loved to take the boat to a restaurant on the water for crabs. He also enjoyed snow skiing, was a dedicated Redskins fan, and loved spending time with his friends and his pets.

Mark is survived by his sons, Cody and Brad Ellwood, two granddaughters, Grayson and Paxton, and his sister, Yvonne Nutter.

Mark's Celebration of Life will be held on Saturday, July 22nd, 1:00 pm @ Lisa's Pub, 4310 Indian Head Hwy, Indian Head, MD 20640

“ *My father was an amazing person to me. I consider myself so fortunate to have had him be my dad. Like most father-son relationships, ours had its ups and downs, but he was always there for me. He was someone I could always count on to be consistent and a listening ear. though, I didn't always want to hear what he had to say, often times, it was what I needed to hear.*

My, father, Mark, may be gone, but his memories live on through us all.

my last conversation was with him on his birthday, a few days before he passed. he was playing pool, drinking a beer, and grilling his beloved " London Broil" I expressed my gratitude for him, told him I was proud of him and thankfully, I told him I loved him.

What I would give for a little more time with you. Please continue to look over me and my girls.

*Rest in peace
Love You DAD*

Mark, with the passage of time we sometimes loose track of our good friends but our memories will always remain. The few times we saw each other at Beta get togethers was not enough. May you rest in peace and know that I will never forget you and one of my greatest memories was our trying to find a Fiddler's Convention in the pouring rain in Kentucky on our way to Daytona Beach.
