“ *I am wondering if this is the same Mark Frank I knew as a teenager at Centreville Baptist Church. He was one of the kindest guys we ever knew.*

“ *I just learned today of Mark's passing, and I am deeply saddened. I worked with Mark since he joined DCAA as a contractor employee until I retired in early 2019. He was a true professional and tremendous asset for DCAA. Much more importantly, he was a truly fine man, generous, compassionate, conscientious, and honest. I was proud and honored to have his friendship, and humbled to see him cope during adversity with courage and faith. I will miss him but treasure his memory as a man and as a true friend. May the Lord bless and keep him, and may He comfort and bless all of his family.—John Greenlee*

“ I worked at DCAA with and for Mark for many years. He was extremely dedicated to his work and over time substantially improved the information technology posture at DCAA. He was a good and loyal friend. We chatted from time to time after I retired and he had planned to visit. I'll miss him as will many others who worked beside him.

“ Mark worked with me at DCAA for 12 years until I retired. During that time we got to know each other well. We shared stories about our families and life experiences, and Mark had some good ones. He also made some good grappa and brandy out of my grapeskins and wine during his moonshiner days.

Mark was always a gentleman and professional. I as well as the Agency benefited from his compassion for IT security. I will miss him but I am happy for all the memories that I have of him. I still smile when I think of some of the stories.

“ I worked with Mark at DCAA for the last 3-1/2 years. He was the gadget man, always having some new technical related and nifty gadget to help at work. I enjoyed his stories about his precious dogs, family and many other topics. Always friendly and caring, I really enjoyed his friendship at work. I'll miss his conversations and his presence in the office. I'd like to extend my condolences and prayers to his family and friends. 🙏🙏🙏

 Kevin Schlosser

“ *I worked with Mark for 4 years at DCAA. He was a good friend, boss, mentor, and BBQ smoker habit enabler. He was also a big influence on my career development. Not only did he have the BBQ smoker bug, he got some co-workers and I hooked also. He arranged covered-dish BBQ get together events at work regularly. He took great care of his co-workers. He always had a funny story about his dogs (stolen ham) or the military (jeep attacking wild pigs). He was the unofficial morale officer for our family-like crew at DCAA. It was never boring with Mark around! He will be greatly missed.*

LJ

“ I worked with Mark for 17 years at DCAA. He was a great co-worker, and he always added humor and kindness in the office. We loved hearing the stories about his dogs and his love of cooking. He was so considerate of everyone, and loved grilling and shared the feast with the entire office once a month.

Rest In Peace, my friend. May the Peace of God protect you, and provide comfort to your family during this very difficult time. We miss you.

*Your friend,
Linda*

SJ

I worked with Mark at DCAA for about 5 years. I was amazed by his courage and positive attitude. He took care of his troops with mentor, guidance and BBQ from one of his many grills. Although I was the gray hair, he was always respectful. I still don't get some of his jokes, but he enjoyed telling them. Please take care of the puppies.
