“ *Ms Mary such a sweet soul. Worked with Ms Mary for few years. Didn't hear much from her during the day but I knew when it was lunchtime because I will always hear her and John checking in on each other like clockwork and chatting about what each other was having for lunch that day always thought I was so sweet and such genuine love ☐☐. Go now and rest and eternal peace Miss Mary 🕊*

“ *Mary was such a kind and positive spirit. I enjoyed the conversations we had in the office and sharing our love for animals. She was always happy and smiling and was certainly a "light" to those around her. Praying for peace and comfort to her friends and family.*

“ *I enjoyed working with Mary and most of all, I loved being her friend. Mary was the most thoughtful and kind person I ever met. You will be deeply missed and I know I have another Angel that will be watching over me during my chemo treatments.*

“ Mary was my "Cubicle neighbor" for many years. I always admired her calm, good natured professionalism, remaining centered and kind even amid the most stressful of situations. She was always kind to my wife and kid when they came to the office and always worked hard behind the scenes to keep the mission going and do those little office celebrations that can make a tough job easier and less stressful. We even shared cat stories. She will definitely be missed, but will remain here in the hearts of us all.

Thanks,
