“ *Dear Rob, Rick, and Family,*

*I met your mom at Our Lady of Light Catholic Church and we became instant friends. We did Charismatic Group and many trips together, and many many luncheons. I especially remember the wonderful time we had on the trolley trip and our trips to Ave Maria. I will greatly miss her and she was a dear friend and we kept in touch since we left Florida.*

*I wish I got a chance to see her again to just sit and chat. She was my favorite teacher of all times I had her from freshman year through end of junior. She made a new class just so I could have her one more semester. I made my prom dress my junior year from scratch she had the times come out and do a article on it. She was there for me thru family issues even.*

“ *I only taught 1 school year with Mary Lou, but when she retired here in SW Florida, we had a great time visiting, eating out, and spending long afternoons chatting about family. I admired her faith, her creativity, and her charm. I miss her.*
