“ *Meena and I worked together over twenty years ago but we remained friends until she passed away. Meena was a kind, generous and thoughtful friend and she made every meal she cooked for her friends with love. My mother was visiting over the holidays a few years ago and Meena and CK invited us for a lovely evening - Meena was as good to my mothers as if she had known her for years rather than minutes.*

I will miss Meena - always checking in on me to see how I was doing. Always with a hopeful word and a good laugh when I needed one.

CK, my heart hurts for you so much. Know you were loved beyond measure. I don't think Meena and I ever got together where she didn't talk about you in best of ways.

Prayers for comfort to CK and Meena's family.

“ We would like to offer you our deepest and most sincere condolences. Although it is difficult today to see beyond the sorrow, may looking back on all those beautiful memories with her, help comfort you in the coming days. This is a great loss for all. I will miss my weekly Sunday phone calls with her and her concern for the wellbeing of everyone. She is not with us but will always be in our thoughts. Someone as special as Meena will never be forgotten. May her memories surround you and give you strength in the days ahead. She will remain in our hearts forever. May our friendship and prayers ease you through this difficult time. Madhu, Dilip ,Ritu, Steve and Richa
