“ *Mike, you are such a beautiful spirit. Always knew how to make me and everyone around laugh. You were so culinarily talented and one hell of a baker. It was an honor to have known you and you will be deeply missed. Rest In Peace Mike, we'll be missing you.*

“ *Michael, you were such a kind and loving man. I had lost touch with you over the years I worked with Michael for several years at 700 Water Street Grill in SW Washington, D.C. He was a good friend and wonderful co worker. RIP  
Prayers of comfort and healing to all who loved him.*

“ Dear Mike,  
we fail the words, it is simply incomprehensible.  
We are infinitely sad that you are no longer with us.  
We like to remember the times when we met, whether in Germany  
or in America or on our vacation together in Yugoslavia.  
I was so proud when my big cousin came to us from America and  
made the discotheques unsafe with me as a teenager.  
Even as adults we laughed a lot and sometimes cried.  
You have always been honest, speaking your mind as directly as I  
have. Just scorpions.  
You were a great chef, pastry chef, cocktail maker, perfectionist in  
everything you did, always helpful, courteous, self-sacrificing..... a  
man with a heart of gold. Unfortunately, we haven't been able to see  
each other for the last few years, and we really regret that.  
But we were all busy caring for our loved ones. I would have liked to  
come to America again, but my own illness didn't and won't allow it.  
I never thought that you go before me!  
We will always carry you in our hearts. See you again Mike.... and a  
request.... pick me up  
In loving memory ♥

“ Uncle Michelob, words cannot express what you meant to this family. I'm so happy to have lived with you for those couple years. I got a chance to get to know one heck of a person. A man of many talents, who always strived for perfection. You will certainly be missed.

“ *Mikey, my little brother, I am heart broken. I wish I would have had the opportunity to spend more time with you. I am so glad that we were able to be with you and mom in Myrtle Beach last year. You didn't always show it with hugs and kisses but you had a heart of gold. I will always cherish the memory of that trip you made from Louisiana to pick me up in Michigan and drive me to Virginia to visit with mom when I didn't have a car or money to fly. Your help with Dick in the last years of his life was invaluable. You were the family ambassador keeping us connected to our families in Germany and Louisiana. I wish life could have been easier for you but know that the pain has ended and you are at peace.*

*Love you,  
Monika*

*The cake maestro! In looking through photos for your service, you were always there, toiling over a tremendous meal with Mom, or creating insanely delicious cakes for all occasions. Going forward without you will be tough for so many reasons, but I will think of you at every event that is special, and know that you could have done it better!  
Love you Mike*
