

## Michael Edward Kern

August 18, 1962 - June 25, 2024

Michael Edward Kern went home to Jesus on June 25, 2024. He was 61 years old.

Mike was a Virginia native and was born and raised in Alexandria. He graduated from Thomas Edison High School and went on to complete multiple certifications in Information Technology and various other fields. He worked for both EDS and BAE Systems over the course of two decades. He went on to work his final career and fulfill his greatest achievements at the CFPB in 2012. He was a valued member of every team he worked with due to his superior work ethic. He was well-known for his endless desire to resolve any difficult issue and was a mentor/friend to everyone who was fortunate enough to cross his path.

Mike was a devout Christian and was well-known for his zest in biblical knowledge and for asking the “hard questions” that everyone else was afraid to ask. He made it clear to everyone that he knew exactly where he was going one day.

Mike was also known for his die-hard love for the Redskins and his famous Redskins sandwiches. He never missed a game, and he passed on his love for the team down to his three children. His hope for them to return to their former glory never faded.

Mike was a dedicated husband and loving father. He is survived by his wife, Melissa, and his three children: Wyatt, Diana, and Austin. He is survived by his parents, George "Bill" Kern and Delores Kern and his siblings, Pamela Butler, Cheryl Barna, Gary Kern, Robert Kern, and Theresa Kern. He is also survived by multiple beloved cousins, nephews, and nieces.

“ Mike loved music & he liked to play it loud. I will never forget when he purchased his first truck ~ a Ford F150. We would go for rides and he would blare the music & play "drums" by tapping (banging) his hands all across the dashboard and we sang, he gave me my love for rock n roll (especially Led Zeppelin & Ozzy ), rest easy my brother. Love and Miss You ALWAYS.
