“ Dear Towanda & Family,
I am so sorry for your loss and know that I am keeping you all in my prayers. Deacon Moncrease was such a vibrant person who would always keep me laughing after church service. He loved to sing along with the choir from the front row and we loved it. Rest easy Deacon Moncrease, you will be truly missed!

“Michael was a beautiful kindred spirit. He had such a vibrant love for his family, friends, acquaintances & for life in general. To know him was to love him. He always stayed in touch with me by calling me ever so often. He called me the day after Thanksgiving while hospitalized to see how I was doing/recuperating after my major spine surgery 6 months ago. He had a deep concern for others & not thinking of himself. Although Michael was my ex brother-in-law, he always treated me as if I still was his sister-in-law. I will miss you dearly Michael & that infectious smile that you emitted from within. In addition, I will forever remember your words that you would tell me each time we spoke. “You will always be my sister-in-law & there is nothing you can do about it.”

May the Almighty bless you my dear brother-in-law Michael with eternal peace & rest.

Your Sister-in-law forever,

Faridah Abdul-Latif (formerly Delores Major-Moncrease)

“Deacon Moncrease you were an amazing, thoughtful, and caring person. You definitely kept us laughing. Even when we were no longer at VTMBBC you didn't forget about us, and we remained connected. You fought a good fight and have gone from labor to reward. We will miss you, but we are forever grateful for the loving memories and good times we shared. Forever in our hearts!
