“ *Mike has been a friend to me and my husband for many years. He was always a joy to be around. Mike was labeled "the character". Whenever anyone was having a problem, Mike's response was always "well what the hell". Once we (my husband and I) found out of his illness, we would visit every other week .I would feed him part of his lunch. He'd never eat it all. His favorites were the deserts and his cokes. Mike and I would watch In the Heat of the together. Unfortunately we missed the month of August/September due to prior commitments. We did start back this past Wednesday. The last thing he said was for me to get him "a coke from the refrigerator". I had no idea it would be my last time I would get to spend time with him. I will miss my buddy so much. Deepest sympathy to the family. Know that Mike was truly loved*

“ *Michael was my dear friend for many years. He was quiet and reserved (so unlike me). He was a wonderful, kind, considerate and generous man. Michael loved to travel and we went on many great trips. He very rarely said an unkind word about anyone in all of my years knowing him.*

Michael, I will miss you dearly but I know that you are in His good hands. "I'll be seeing you in all the old familiar places, that this heart of mine embraces all day through."

Rest in Perfect Peace my Friend.

*Love,
Jacqui*
