

Mike Contos

April 20, 2024

Mike Contos, age 60, died on April 20, 2024, at his home in Woodbridge, VA.

Mike was a manager of IT at DSA. Outside of work he enjoyed playing guitars. He not only had a collection of guitars, but he restored them as well. He also had a love for sporty vehicles. He owned a couple of corvettes in his early years and recently enjoyed riding his 2 motorcycles. He also enjoyed gaming in his spare time. He was passionate about his favorite music groups like The Beatles, Jimi Hendrix, Carlos Santana, and many other groups. He could spend hours playing video music and playing the guitar at the same time. He was the happiest man doing that.

Mike's sense of humor was unique. You always knew you would laugh when you were around him. He is now entertaining the angels and watching over his beloved children, wife, and friends.

Mike is survived by his two teenage sons, Brandon Michael Contos-Mendoza and Ryan Contos-Mendoza and his wife, Katarina.

The family will receive visitors Saturday, May 4, 2024, from 4 :00 to 6:00 pm with a service from 6:00pm to 7:00pm at Miller Funeral Home, 3200 Golansky Blvd., Woodbridge, Virginia 22192.

“ *Mike was a gracious, kind, and dedicated colleague. I had the privilege of working closely with him. He was always professional and a "do what it takes to get the job done" kind of guy. He loved Ryan and Brandon and Katarina so much. They were always first. Always. Everything he planned was around them. My condolences to Katy, Ryan and Brandon. DSA has lost a colleague and friend that always will be remembered. God Bless your family and thank you for sharing Mike with us.*

“ Mike was a person who was always interested in doing the best job possible. He left a stream of fixed issues and solved problems in his wake as he went. He was always a pleasure to talk to and work out something with. All my best to Mike's family.
