“ *A Tribute to My Best Friend*

My Dear Friend Monica, I write with sadness in my heart as I reflect on the day we met and the blessing you were to me. I could not believe the stories we shared about our lives were so similar. You were someone I needed to be in my circle of friendship and you were God's choice for me. You were genuine, kind, understanding, and loving. I remember the 18 months of working together at Bright Horizons; we scheduled our lunch hours together so we could eat and chat. If you did not see me at the end of our shift you would walk to my classroom or the playground to ensure everything was okay so we could leave the building together.

When I left Virginia, I knew our friendship would never be broken. I am happy that we were able to go for lunch when I visited you a few months ago. Unfortunately, neither you nor I did not know it was a farewell lunch and we would never see each other again.

O how much I missed our "girls' talks;" we laughed, we sighed, and we understood each other. Monica, you were a true friend and you will always be in my heart.

At this time I cannot grasp the concept of not being able to talk with you anymore; If tears could bring you back, you'd certainly be here with me. The sad part about our friendship is that you left without saying goodbye but God knows best.

You have gone on before me and I know you're at peace. There is no more sorrow, no more pain but your beautiful lingering memories will always be in my heart. Gone but not forgotten.
