“ Nadine "Elaine" Anderson - "I will always remember you as far more than the wonderful step-Mother you were to me. I will also remember you as a friend.

*The kindness and laughter that you shared with us during our time together, was a well needed change in the lives of us kids that were not smiling much at the time. You came into our Fathers life and made him a truly happy man again as well. He was in love you. And he has stayed that way through out your lives together and until this very day.*

*You both gave us 3 beautiful, creative and intelligent siblings that give and show the same love that you conveyed to others all the days of your life.*

*Your sense of humor had no bounds and you could turn any tense conversation into a room full of laughter with one of your faces and a quick funny remark. We had our own funny back-and-forth "weird sayings" bouts.*

*You used to help me with my 8th grade and 9th grade homework when I was confused. You always made sure that I had what I needed back then. And I appreciated the help, even if the thank you was silent.*

*In later years I did not get to see you much... but you were/are always on my mind and in my heart every March 21st. No matter where I am on that day, I have always given a cheers to you. And I always will.*

*Missing you with all of my heart. May God keep you close until my Father can hold you once again."*

“ Elaine you are resting well and finally with no pain. That is the only thing good that I can point to after your passing. We had the world for 43 years and brought 3 beautiful children into our world. I thank the Lord and you for that, and I will continue to take care of them in your absence. Don't worry sweetheart, I hope to be around for a while yet but looking forward to the day when I can hold you in my arms once again. We tried everything we could to help you overcome the problem that finally took you away. I wish I could have done more but our children tells me there was nothing else I could have done. Please know I loved you through thick and thin and will never let go of that. Rest in peace in the arms of your Lord throughout eternity.
