*A Father's Goodbye*

*My Love for you is more than you could ever know.  
The amazing daughter you became always made my heart glow.*

*I never learned what your pain was inside.  
But it was powerful enough these last few years to push me aside.*

*I never stopped trying to reach out to you.  
Whether through text, a call, or a letter but couldn't get through.*

*Whatever you asked of me, I was there.  
You were the pride and joy that filled my air.*

*You were Tailspin's buddy once you were born.  
And a Moma to Hilda girl who cuddles you adorn.*

*I will miss your quirky smiles.  
Your little laughter that filled the skies.*

*Go on my angel and fly free of the pain.  
For Heaven awaits you with more to gain.*

*Love Dad  
6 April 2025*
