“ We always think that we have more time with each other until God interrupts and shows us otherwise. Pat, as your journey in this world is now complete, those of us left behind will cry and grieve; but as Christians, we know that you are in a better place and that God does not make mistakes.

As I gather my thoughts, I am reminded of your beautiful smile, soft spoken words, and a gentle heart of gold. You embraced the world with unconditional love, offered words of encouragement, inspired so many and always, spoke your truth. You were an amazing aunt to your nieces and nephews, too include the status as an “honorary aunt” to so many. You were an awesome sister to your siblings and a wonderful daughter to your mom. You were a best friend to everyone and always took time out of your busy day to listen to those that needed to bend your ear.

Our friendship spans more than 35 years and anchored in love. A beautiful soul is at rest and at peace with the Lord.

You fell into a deep sleep on this side, only to be awakened, greeted and welcomed on the Glorious side, Heaven.

Pat, I love you like a sister and your presence will be greatly missed. The blessing for me is that I believe and know that I will see you again on the other side.

Rest peacefully, my best friend forever!

“ Ms. Pat was such an amazing selfless person. She would literally give you the shirt off of her back if you needed it. She was my mother’s best friend and an aunt to my brother and I for over 30+ years. She was present for every baby shower, wedding, and major family event both stateside and abroad. Ms. Pat, we were blessed to have experienced your kindness and greatness. We love you forever and after. You will truly be missed.

*Love,
