“ Penny was a dear friend of mine for many years. I worked with her for almost a decade. We spent so much time together outside of work, and I have so many memories of our time together. She left her mark on everyone she met. My heart goes out to Jeff and her family and I am praying for strength for them. She will be so missed by so many.

“ Penny was one of the best leaders I have ever had in my career. She was so much fun, kind and understanding. The few years I worked with her were filled with so much laughter. It was the first time I moved from home and she made sure I had a new home.

She made my work and new life experience so amazing. Without her, I do not think I would be where I am today in my career. I am so thankful to have been blessed with her presence and I am sad to hear she is no longer with us.

To her family, I am so sorry for the pain you are experiencing from this moment in time. I hope you will find peace in knowing she had impacted so many young peoples lives. She was was so much to so many people outside of her family.

I wish you all the best during this time and I too will celebrate her life in the schedule day from my home of New York City.

Sincerely,

Sarah Sisneros
