“ Prayers for the family. Ralph was a joy to be around. He and my dad met many years ago at the Charles Town Race Track. My dad worked the parking gate and they became instant best friends. He would give me money to bet on a horse which was always a winner. He visited as much as he could with my parents, take my dad places to eat and get seeds, plants to grow in the garden. He loved working in the garden helping to plant potatoes, dig potatoes and even pull weeds. He always made sure my family had honey baked hams at Christmas. He and dad can talk garden stuff again. He will be missed.

“ *We all Gathered one Christmas to ride and see the Christmas Lights. Afterward we went to an Ice Cream place to sit down and enjoy some ice cream. Ralph had gotten the young lady who was service us to bring a can of whip cream to the table. I this the top actuator came of. Ralph sat the can on the table to put the cap bag on when it activate and shot whip cream into the air. It was a great laugh had by all. Great memories a better times.*
