

Ravi Bassi

June 15, 2024

"Ravi" Bassi, 67, of Woodbridge, Virginia, passed away on June 15, 2024, at University Medical Center in Charlottesville.

Ravi graduated from the Indian Institute of Technology in Delhi with a masters in Civil Engineering. He enjoyed spending his time by traveling, reading, and spending time with loved ones. His love for travel took him on a road trip across the US with his son, visiting many national parks along the way.

Ravi enjoyed life to the fullest, one of his favorite hobbies was star gazing. On a clear night, he could be found with his son in the foothills of Shenandoah looking into the cosmos. He also always made sure to visit his favorite state, West Virginia, whenever he could. The Appalachian mountains was his second home, and he'd never miss an opportunity to travel on those country roads.

Ravi is survived by his mother, Surjit Kaur; siblings, Rintu, Pinky, Neenu and Rimp; and by his son, Raman Bassi."
