“ *My deepest Condolences go out first to Reggie's family. I first met Reggie in 1994. When we connected as associate's /friends was in the furniture business. Reggie was a true showman. When he hit that floor it was like "showtime". I just found out today that Reggie passed today nearly a month later. We we're co-workers, but I'm just gonna say this that some people just leave a lasting impression on your life as a testament to what God can place you from the bottom and raise you right to the top. Rest in peace my dear brother 🙏 rest in peace. Ms. Anita (Value City Furniture)*
