“ *So sorry to hear the news. I worked with Bob at First VA Bank; he was one of the best people I've ever known. We used to call him B Cubed -- Big Bob Brenneman... He had a great sense of humor and was ALWAYS in a good mood. He was a good guy, and he will be missed by many...*

“ I am very thankful to have had the opportunity to work with Bob for many years. I appreciated his conscientious, diligent work ethic, as well as his ability to laugh and enjoy the team's camaraderie. I especially enjoyed taking a few moments now and then to visit Bob and the other half of the "twin towers", Bill Bancroft, to discuss the state of their beloved Yankees. They were ready to discuss what ailed the team, while equally, if not more so, remind me that the Yankees were (vastly) superior to any other franchise!

To Ellen and family: I pray the the Lord comforts you with many wonderful memories of your time with Bob. This life is fleeting, but God's grace and mercy are eternal, and His love is unending.
