“ Thinking back, we've known Ron about 40 years. All those young guys starting out in the security field, no matter what companies and airports we ended up at, we always stayed connected. It is a tight community, everyone knew Ron and loved him. Always the most kind and gentle, the guys have only the most wonderful memories of Ron and his family. We personally miss Ron, having known him more than half our lives along with the memories of starting out together in those crazy early days. Ron made an impact on everyone around him; Ron made a difference in every life that he touched. Our most sincere condolences, Sam & AJ Brunetti
