“ *Sorry I'm so very sorry for your loss. Rose and I worked together at J&J in Raritan many years ago when my son was just 6. She always talked about her family in such a loving way. Always had advice for me having older children which I will never forget. She dubbed my son the "shredder boy" and started a trend of keeping a box of papers to shred under her desk so my son when off of school and I had to work, he would have something productive to do. Very special lady and will be sorely missed. I'm sorry I cannot make the trip down to her Celebration of life. Sending prayers of strength to you all for her loss.*

“ *John, Sarah, and Jonathan,*
I know this is hard. John, I am so glad you have a strong brotherhood with your Christian brothers in our church. Lord, I ask for you to hold this family in your loving arms and as they cry I know you are crying with them. Give them strength as they go through this time of loss.

“ *John, Sarah, and Jonathan,*
I am so sorry for the loss of your mom. I did not know her but based on the stories I have heard from John she was a wonderful mom, grandmother, and person, and will be greatly missed by all of you. I am thinking of you and your family during this difficult time. May God give you the support and comfort you need. There are no words to say, but know there is comfort surrounding you from your friends and wonderful memories of your mom, Rose. You are in my prayers.
