“ *Liebe Rose, du warst eine so liebe Seele in unserer Nachbarschaft. Du kanntest jeden und hast dich immer um alle gekümmert. Dein freundliches Lächeln und deine Herzlichkeit werden wir nie vergessen. Ruhe in Frieden.*

“ *Rose was truly the sweetest lady on the block. I remember as kids setting up our little lemonade stands in the neighborhood, and she would always come by to buy a cup with the biggest smile. She made us feel like our stand was the most important business in town. Her yard was always filled with the most beautiful flowers that were perfectly cared for! I'll always remember her as a wonderful part of my childhood. May she rest in peace. -Robyn*

“ I am so sorry for your loss, Zuppas family.  
Rose was a truly special woman and a dear friend. She touched so many lives, and I feel grateful to have known her. We loved her dearly, but God loved her more.

Please know that you are all in my thoughts and prayers during this difficult time.

With deepest sympathy,

“ When I moved to the neighborhood in 1998, Ms. Rose was there. She would check on us to make sure my mom and dad were good. My dad became real good friends with Ms. Rose and would talk to her while she was tending to her plants in the front. My mother would also talk about life overseas and we would hear stories from her childhood. Ms. Rose's mom - a gentle soul. I loved the way Ms. Rose took care of her mother and I recall her driving a white car. We watched out for each other. Ms. Rose met my wife when we got married and she also met our daughter when she was born. A great person she was! May God guide her in her journey to heaven and she will be missed on earth. A kind soul! A great person will always be missed.
