“ Sam was a faithful member of the First Baptist Church of Kingstowne. He served as a greeter. He encouraged everyone with his smile and warm greeting. He was a man of Faith, who would come to church and serve before heading into work. He loved me and made me feel appreciated as his pastor. We will miss him.

“ This message comes with great sadness from (Big Donna Lu) & (Edert Sweet cheese). Ie: Donna Gomez & Bum Bum along with our entire family and friends in this photo of two years ago. There will be an emptiness in our hearts now that you've gone. The memories of 4th street and the laughter we often shared will live in our hearts forever. Coming to Massachusetts a couple years ago brought an overwhelming happiness to us all. It was so great to be able to share past memories and enjoy everyone's company. Rest in peace my friend.

Bro. Sam will truly be missed at First Baptist Church of Kingstowne. He and I had many conversations about the Washington Nationals baseball team and how they were doing. He really loved his baseball and followed it closely. The Lord has called a great man home!

He used to ask if I need anything at Dunkin Donuts , most times I say no but he still asks Because he knows me ... that one day that jelly donut or munchkin's crave might be there and that day I will sure I need something there :)
