

## Sherri Lynn Stramel

October 12, 2021

Sherri Lynn Stramel was born August 12, 1965 at the U.S. Naval Hospital in Portsmouth, VA. She was a flute player in the marching band and a 1983 graduate of Frank W. Cox High School in Virginia Beach, VA. She was the proud mother to two daughters, Amber Christine and Megan Elizabeth. She was always very supportive and loved being a band and sports mom. She worked as a Lead Credit Representative for Canon USA INC Government Marketing Division for 19 years and earned a Bachelor's degree with a major in Business Administration with a minor in Human Resources from Strayer University. She was very proud of her work history and the roles and titles she held. Sherri was an active member and officer of the Benevolent and Protective Order of Elks in Woodbridge, VA for several years where she spent countless hours volunteering at events. She loved being with her friends, shopping, decorating, traveling, and being at the beach. Sherri passed away October 12, 2021 at Potomac Sentara Hospital in Woodbridge, VA. She will be remembered by many close friends.

Sherri had the kindest and most giving heart and with her passing, she was still able to give back by being an organ donor. The social butterfly she was, she wanted nothing more than love, joy, and happiness among anyone she met. She was very proud of her daughters' accomplishments.

Sherri is survived by her daughters, Amber and Megan, their father Dallas,

and her parents Evelyn and John Mickelson. She was preceded in death by her grandparents, Muriel "Peggy" and James Byland - her Nanny and Diddy.

Sherri's service will be held on Saturday October 23, 2021 at Miller's Funeral Home, 3200 Golansky Blvd., Woodbridge, VA 22192. The visitation starts at 10:30AM and the service will begin at 12:00 noon. After the service, family and friends may gather at the Elks Lodge, 14602 Minnieville Rd, Woodbridge, VA 22193.

“ *Sherri used to Jazzercise with me back in the day. She was always kind and she always had nice things to say. We had fun at the VA Jazzercise conventions that she was able to attend. I was in shock when I heard the news of her death. Take comfort in knowing Sherri was loved by so many and will be missed!*

“ Sherri was very special to so many. Her girls and my daughter played together at a very young age. We use to take playpen to the office on Saturday's. We worked & they played. She was proud of her career. I remember going to her college graduation. She worked hard to get her degree and I was very proud of her achievements. Sherri touch a lot of hearts. Such a bright light to many. I know she is a brilliant star in the heavens above. Fly high my sweet friends. You were loved by many & will be missed greatly. ❤️🙏🌟🕊️

“ Dear Jack and Chris:

*We were deeply saddened to hear of Sherri's passing. We still can't believe it. Personally, I will always remember Sherri for her great open heart. She taught me profound lessons of what it means to be a friend and the importance of opening up even when it hurts. I look forward to seeing her warm (and slightly mischievous) smile again.*

*Meanwhile hold on to the knowledge that Jehovah is stronger than the grave, and his Son has the keys as he told the apostle John: "Do not be afraid. I am the First and the Last, and the living one, and I became dead, but look! I am living forever and ever, and I have the keys of death and of the Grave." (Revelation 1:17,18)*

*We send you our love, my brother and sister, and our prayers for you and your family.*

*With sympathy,*

“ Seems like just yesterday Jack and I were playing tennis with Sherrie shagging our tennis balls for us. She and her two dogs, Missy and Tika, used to play with my daughters when we went to visit them. And now we are hearing the very sad news of her passing on.

Please remember that as long as you remember her in your heart, as long as you continue to talk and laugh about her among friends and family, she will never be gone entirely.

We loved the funny and sometimes mischievous look she sometimes had about her. And there it is again in her picture above. Always made us wonder what she was up to or what she was going to do next.

She will be greatly missed.

My heartfelt condolences to Amber, Megan, Jack, and Chris from both Harriet and I.

“ Sherri was a great friend to my sister, Rhonda Elsmore. Sherri's joy and smile and happiness lit up a room. When our Mother died, Sherri was a wonderful comfort to our sister. Sherri was a most generous and caring friend. She always was concerned about others. Her spirit will live on in the gifts she gave to so many through her body donations. My condolences and sympathy to her daughters, her parents and her boyfriend. Linda Lee

*I am deeply sadden , shocked and broken to learn the passing of Sherri, I am really thankful to get chance to know and to work with her at Canon. Sherri is JOY she is full of life and filled you with laughter . when she talk about something that happened to her or whatever she has done.... she has this unique way of telling it that make you visualize and feel like you are watching a movie, she is unbelievable . One thing for sure is spending time with Sherri means no place for dull moment . I can feel the pain and sadness of her daughters that she never stop talking about everyday when she was at Canon. My deepest sympathy & prayers to Amber and Megan as well as to all her family and friends . Sherri will never be forgotten and be in everyone's heart she touched in her life for ever. RIP my dear Sherri.*
