“ This hit different. I had no clue that you were gone, my love. You were on my mind heavily this week. RIP, my love. Your spirit and your joy will always live on. I miss your lives, and I miss your joyous laugh. It doesn't take much effort, I can still hear you laughing with joy, and I can see your beautiful smile.

“ Iya, I have learned so much from you. My heart aches knowing that I will never be able to physically sit at your feet. I am so grateful that I was able to connect with you and let you know how much of a beacon of light and joy you were (are). I will always remember your smile, laugh and that Big Leo energy! You are and forever will be my first ifa teacher. You would say, "Not everyone is meant to walk on an elevated plane" but you did and now you are with the ancestors, the most elevated. Love you Iya ☹️☹️☹️☹️☹️☹️☹️

“ *Shondra I'm still coming to grips with that fact that you are now gone. It as such an honor when you asks me to coordinate your wedding to Elden and I know it was a privilege for Marc to officiate. You will be missed my friend. You and your family will always hold a special place in my families heart. Rest well. To Elden , to baby girl and Margie and Lloyd...We love you guys!! We are here if you need us. “ *I met Shondra at SCSU. I always remember her smiling. She was such good energy to be around. I watched her videos and was in awe of her spiritual journey. May Shondra be at peace on the other side.*
