“ *We are one of Stan's customers on his route. We thought he had been on vacation and then that he retired. Sadly, that was not the case and we are heartbroken. But, he was more than someone who was our postman, we considered him a friend. He was our good will ambassador. He made a difference in our lives. Our sympathy goes out to his family on your loss.*

*Is there a charity that we can make a donation to in Stan's name?
Thank you!*

“ *I worked as an eBay seller with a friend in Burke for several years, and Stan was our mailman. He came by almost every day to pick up our outgoing packages, and he was always patient, kind, and friendly. I enjoyed talking with him about his time stationed in Japan and the vacations that he had enjoyed. When I heard of his passing, I was crushed. Stan was truly a good, kind-hearted person.*

“ We are so grateful to have known Stan as our wonderful mailman for all the years we have lived in Burke. What a blessing he was in so many ways. Always kind, so well-organized! and professional. We knew we could completely rely on him. It broke our hearts to hear of his untimely passing. To his precious family, we send our prayers for faith and strength. Such a rending loss - I know his family meant much to him from our passing conversations. Stan was a testimony that there there are still fine people who are honorable and practicing the Golden Rule in these days of social isolation and lack of caring for our fellow man. Our hearts go out to you his family. God bless you ALL.

“ Stan was the only mailman we ever had! He was always a kind and considerate person and had only positive comments to say! He knew my children since the day they were born and always asked about them! They are 30 and 33 now. He was always so proud of his daughter and spoke of her often. We send love and prayers to Stan's family as they go through this difficult time. He will be missed by so many people.

“ *I worked with Stan for many years at the USPS in Burke, VA. He was not only a class act, but a genuinely incredibly nice person. I never once heard him raise his voice or talk ill of any of his coworkers - A TRULY CLASSY GUY!!! I am glad to have known him, I will miss him and I express my deepest sympathy to his family.*

“ We close our eyes and speak to you in a thousand silent ways Stan. We are forever grateful to you for your service to both our country and our community. Your dedication, compassion, ethics and friendship will remain a true standard that we will attempt to maintain here in our community in The Oaks neighborhood. The image I will remember most is that of your radiant smile that I saw so frequently when you and I waved to one another while passing each other on the road, while stopping to chat in-between delivering the mail or when I could surprise you with frozen yogurt bars on a hot day or warm banana nut bread on a cold day while you were out in the neighborhood working. Our conversations never had to be long in order to be meaningful but, I can say they were all meaningful to me. My house was the last stop on your route for the day and all too often my chatting away with you kept you from getting home to eat dinner and rest up sooner as opposed to later. You will always be remembered, valued, respected and appreciated for the wonderful man you were. We mourn your loss as individuals as well as a community since your passing. To Natasha and the rest of your family we send our heartfelt condolences. Forever in our hearts.
