“ *Don't know if y'all remember me but I knew Steve and Renee when they were young. In fact I think I remember when they got together. Me, Charlie Hogue, and Steve Barton were envious of Steve. Renee made the right choice, Steve as a good person and became a good man. My sincere condolences...*

“ *Renee, I was just driving down Buchanan St the other day to reminisce and thought of you and your family. My mother used to tell me a story about living next door to the Pogues when she was pregnant with me. She said that Katherine was such an adorable little girl that she was going to name her baby after her. Thus, I got my name. I am so very sorry for your loss. I know that Steve was the love of your life and that you enjoyed many wonderful years with him. May you find the strength to go forward with your sons, DIL and grandchildren. Love, Cathy Frogale*
