“ Condolences to Terry's family. Terry was a fantastic person, and is missed by all, especially his DLA family. I apologize for the late posting, I learned of Terry's passing after it occurred. Terry was a great person, always with a smile on his face, someone you could talk to and he would always listen. I miss his RG III and Reskins stories. I truly miss him. Note: The first person who posted and sent a card was Marty P. (Marty Pratt) who also worked at DLA, has since passed and also was a great person, and friend to all as well. Rest in Pease Terry and Marty .

“ *I would like to express my deepest condolences to the Perry family, and pray for God's comfort and guidance. Terry was one of my unofficial "work Dads." When I started my Contracting career at DLA Energy as an intern, Terry immediately took me under his wing providing guidance, inspiration and of course a lot of laughter during the stressful moments of my journey. I am so grateful, and blessed, to have been in Terry's presence and learn from him, I thank you....I thank you my brother!....and pray I can pay it forward with such grace.....rest in power!*

“ My condolences to Terry's family. I met Terry while working at DLA during the early 2000's. He was a nice person and great friend. He loved his family. We would laugh as he told me stories of his young kids being kids. I gave him a motorized truck for his kids that my boys had outgrown. We laughed about the kids driving in their neighborhood. I know he will be missed. May his memory be a blessing to his family.
