“ Dear William,

I will always have such fond memories of you from childhood. Every summer we would visit Pittsburgh, and we had such fun together. My father was so proud of you when you joined the Navy, as were all of us. As a child I was in awe of your understanding and knowledge of our family's history, to the point I often thought of you as the "family historian." You left us too soon, but I'm thankful for the life you lived and the memories you left us.

With love, your cousin,

Lee

“*My dear old friend, you were my best friend in high school, and helped me make it through the rough times, especially when our fathers lost their jobs at Heppenstall's. I fondly remember going roller skating on weekends then walking home from Sharpsburg across the 62nd street bridge. You convinced me to join the Navy, which was one of the best things I have ever done. We drifted apart over the years, but you where always in my heart.*
FAIR WINDS AND FOLLOWING SEAS old friend”

Cheswick roller skating rink is where I first met you two. Boy was he something on those skates! He glided like a professional! Became an every weekend hangout spot just to see him! Couldn't believe when he came over and asked me to skate with him...I was in heaven ❤️. Fond memories Crawdad! I miss those days 💜💙

“ William, you were the BEST son 2 loving parents could have. We will cherish all of the great memories of you growing up. Going to baseball games and fishing at North Park and cub scouts and so much more. Your mother and I are so proud of you and all that you accomplished. You and I were as close as father and son could be. Your mother and I are so glad we got the chance to tell you how much we love you in the days prior to your passing. You will always be in our hearts. Nothing will take away our emptiness of not hearing your voice or having you here. We will forever love you. Rest In Peace our son

Ray and Joy, I am so sorry for the loss of William. He was such a kindred spirit since he was a teenager. He certainly forged his own path in life, however so hard it may have been. I will forever carry fond memories of our time together and his miraculous journey into the man he became ❤️👉. He was my first love, the father of my son and I will forever hold him close to my heart. My sincerest condolences. 💙💜
