

William "Larry" Peterson Sr.

February 6, 2021

William "Larry" Peterson Sr., son of late William Lloyd Peterson and Arita Marie Bush Peterson Cruz born on December 6, 1960 in Washington, D.C. was called to be with the Lord February 6, 2021.

Larry grew up in Halls Hill, a small community located in Arlington, Virginia where he was a well-known community leader and a proud member of Calloway United Methodist Church. His love and dedication to work began at an early age delivering newspapers. It was Larry's lifelong friend Charles "Buck" Carpenter who helped ignite his passion for landscaping. Larry's passion for entrepreneurship enabled him to convince his family team to devote themselves to the venture, and the incorporation of Peterson Landscape Maintenance (PLM) in 1986. Larry's siblings Daniel, Kirk, and the late Wanda were all key figureheads in the foundation of the family business. Larry remained active in the daily operations and interactions with employees for thirty-four years.

Shortly after the establishment of PLM, Larry met the love of his life Sandra "Sandy" Peterson. They were joined in marriage August 27, 1988. They are proud parents to Nicole, Dominic, TaLesha, and William Larry Jr.

Larry had a positive outlook on life and lived life through simple pleasures of welcoming and entertaining others during the holidays. Larry had an uncanny

ability to reach people in a deep and positive way. He was the happiest when surrounded by family and friends. Larry is renowned for his hard work, determination, love for those around him, and his wisdom.

Larry was preceded in death by his father William Lloyd Peterson; mother Arita Marie Bush Peterson Cruz; and sister Wanda Denise Peterson-Wanzer.

His memory will be cherished and kept alive by his adoring eternal wife and partner Sandy Peterson; his children Nicole Johnson, Dominic Williams (Savina), TaLeshia Watlington (Robert), and Larry Peterson Jr; his eight grandchildren; Gregory Johnson Jr., Cameron Johnson, Lilyanah Johnson, Ava Peterson, August Williams, Malachi Watlington, Dawson Williams, and Malia Watlington; two brothers Daniel Peterson (Henriette) and Kirk Peterson (Donna), numerous nieces, nephews, cousins; and other relatives and friends who loved Larry very much.

Larry was such a strong role model and gives credence to Denzel Washington's motivational speech about living outside of the box and taking risks that bloom into success. Larry's grandparents lived on our block and adored their children and grandchildren. The fruit did not fall from the tree, with character and integrity. May God continue to richly bless Sandy, the brothers and family during this difficult time.

“ To the loving Peterson family,

On behalf of the Vaughan/Lightfoot family, please accept our sincere condolences. Specifically, when I, Bernetta Vaughan heard about Larry's transition to heaven, it stunned me to the core of my being. Even though I have not interacted with him for many years, I always considered him as family due to the child/adult friendship he had with my twin brothers (Mitchell and Michael Vaughan). Also, I do recall that he and his lovely wife, Sandy encountered my sister Beverly and her husband Reggie Harrison at a restaurant a few years back. The moment was pleasant, joyful, and ended in my sister receiving a “big hug” from him. Larry was a fine man of distinction, and all of “Haul's Hill” is in mourning for him.

At this time, I wanted to take this moment to enlighten you with a few other memories about Larry in his early young adult years: Larry was an athlete who excelled in the art of football. Memory serves me to say that “back in the day” I and other neighborhood girls (Paulette Washington, the late Paula Leftwitch, Vanesa Colman, Karen Miller, Toney Taylor, Angie Powell, Tina Powell, Tashia Powell, Tammy Vaughan, Terina Vaughan, and others) were cheerleaders for the afterschool intermural football teams (Hawks and Bearcats), as well as cheering for him and others (my twin brothers, Carry Gomes, Skip Powell, Bow Robertson, Cornell Washington, the late Kim Gordon, Ricky Bethal, the late Dennis Bell, Kevin Brown, George Long, Steve Bridgette, Rodney Foreman, and other “Hauls Hill” exceptional young brothers) when they played for the Yorktown High school Patriots Varsity football team.

Personally, I also recalled the times when Larry and I executed janitorial services for the Calloway United Methodist Church. He was my supervisor and my neighborhood big brother who gave me teenaged advice at times and the occasional ride home in his pristine navy-blue mustang from afterschool football and cheerleading practices. As you can see, as a young adult he exhibited an exceptional work ethic which he excelled in by creating

his own Landscaping company for over 30 years and helping others to succeed in life. I and my family and neighborhood friends are truly blessed to have known him.

Respectfully, to his devoted wife Sandie, their children, and grandchildren, be blessed, celebrate his life and may God be with you during this time of mourning.

*Sincerely,
The Vaughan & Lightfoot Family*

“ I remember when Larry's sister, Wanda, and I did his paper route one day because he had a stomach ache. We thought it would be so easy, but we realized it was hard work. The area was called Hall's "Hill" for a reason; we were just teens, but evidently Larry was more physically fit than us. And our aim was not good, so we had to walk up to each door to leave the paper instead of tossing it like Larry did. Finally, we had to collect payments that day, but somehow the money was off. After Larry gave us a short lecture, he said "next time pay attention to what you're doing!"

Larry knew his business well for such a young guy. We learned a lot from him that day; like, you can learn from anyone -- even youngsters -- all you have to do is let them speak, and listen.

Thank you Larry. I'll never forget.
