A LETTER FROM HEAVEN

When tomorrow starts without me and I'm not there to see;
If the sun should rise and find your eyes all filled with tears for me.

I wish so much you wouldn't cry the way you did today,
while thinking of the many things we didn't get to say.

I know how much you love me as much as I love you;
And each time that you think of me, I know you'll miss me too.

When tomorrow starts without me, don't think we're far apart.
For every time you think of me, I'm right here in your heart.
